_____ I understand that a withdrawal from the studio requires that I re-enroll upon my return, and at that time I will be financially responsible for the Registration Fee (even if the fee has already been paid for the enrollment year). Additionally, a student who withdraws will be moved to one class level below their current placement upon re-enrollment.

_____ To withdraw from the studio for one or more months, or indefinitely, an official withdrawal notice must be submitted in order for billing to cease. Withdrawal to the instructor is NOT sufficient. In the event that an official withdrawal notice is not received, you will continue to be billed at your monthly tuition rate until the withdrawal form is received. Forms must be submitted no later than the 15th of the prior month to avoid tuition fees for the proceeding month.
